III. 2018 Spring SACC election – No one opposes Randy Anderson for the position. He continues as SACC.

IV. State Financial Update – Randy found some discrepancies between USA Gymnastics' accounting and his own figures. He will check into it. Current balance, \$43,179.50. After payment of Region 4 Head Tax of approximately \$5,600, balance is approximately \$37,500. Approximately \$10,000 is earmarked for scheduled Education Clinics.

V. USA Gymnastics member registration has been revised to require independent registration of all members beginning with the upcoming season. That means athletes or parents/guardians of minor athletes must register and pay for the USA Gymnastics registration rather than the club handling the process. We can only speculate how difficult it will be to get 100% participation in the process. Additional note – Sanctions are increasing from \$100 to \$140. Meet directors might want to apply for a meet sanction before the price hike.

VI. Education Update – Upcoming clinics

## VII. Compulsory Schedule Issues

- We're receiving more Compulsory Qualifier meet requests than we have available weekends with running 2 meets per weekend. Tabled the discussion of alternative method of awarding meets till next year.

## VIII. State Meet issues revisited

- Do we need stricter requirements for bid approval? – Not at this time.
  - Qualification of Meet Directors? - Should be covered by the previous decision to charge Meet Directors a \$1,000 administrative fee for a SAC member to consult and coordinate.
  - Should State Meet facilities have an onsite visit from the SACC. – Only on a case by case basis if warranted.
  - Random draw with *ProScore* – was accomplished with a good result at the 2018 Optional/Xcel State Meet, unlike the poorly conceived draw at L-8 Regionals.
  - Necessity of a SAC member being present throughout all State Meets is a moot point and requires no additional cost since at least one SAC member is always there in one capacity or another.
- 2018-19 State Meets
  - Level 2-5 Dec. 1-2, 2018 Waukesha West H.S. (Swiss Turners)
  - Level 6-10 Mar. 22-23, 2019 Brookfield East H.S. (LaFleurs')
  - Xcel Mar. 29-30, 2019 Ashwaubenon H.S. (Starz)

## IX. State Meet Head Tax

2<sup>nd</sup>: Jane Schrimpf

## X. Website Review

- Meet Directors are reminded to submit a link to their meet info to be included on the state website.
- Old posts before 2015 are being deleted from the site.

XI. Club of the Year may now once again be determined by a State formula rather than a Regional dictate. Finding the previous system to be flawed, USAGym-WI has adopted a weighted COTY formula Jay Murphy worked out taking L4-10 into consideration.

## XII. State Handbook Modifications

- An earlier (5/17/17) motion to add a video/photo release form to post athlete content to our website has been rescinded.
- Motion to charge a \$100 fee at State Meets for coaches who are not pre-registered.  
Motion: Kristen Kremer  
2<sup>nd</sup>: Kathy Nelson

- Club of the Year formula will be revised to use the new USAGym-WI formula.
- Head tax (\$2/athlete) will be charged at all meets, including State Meets, except at Level 6-10 Optional State Meet.

XV. Xcel competition may be offered at fall Compulsory meets to give them more opportunity for less expensive in-house meets. Meet Directors are reminded of this new option and we seek feedback on how well this is being received and implemented.

- Ellen Hendrickson will compile stats from results to post athletes' accomplishments.

XVII. Level 2 State Meet is now held off-site in conjunction with L3-5 and should reflect a comparable off-site entry fee.
