Passed: Unanimous

III. Regional update

- USA Gymnastics requires SACC's to send info ONLY to current active members and active clubs. Clubs/individuals must register or be deleted from the contact list.
- After the declaration date, an athlete will not be able to drop back.
 - Motion to make March 1, 2021 the drop back date for ALL USAGym-WI JO and Xcel levels.
Motion: Jane Schrimpf
2nd: Ellen Hendrickson
Passed: Unanimous
- There will be no more introductory athlete registrations this year.
 - USA Gymnastics used to subsidize those memberships. The insurance carrier charges the same for all registered athletes, so with insurance rates going up, they can no longer afford to continue that practice.
- Parents register the athletes online with USAGym, but the club administrator can now go in and add/change club number.
- Meet sanctioning is open, but clubs must follow local guidelines for crowds.
- REMINDER - Meet directors must publish all meet scores to the MYUSA app.
- 18-year-old athletes must take safe sport

IV. State Financials - unchanged since May 12, 2020 SAC minutes.

V. 2020-21 Compulsory Season

- All meets with a minimum of 2 clubs participating are qualifiers.
- Additional meets can be added to the calendar (<http://www.usagymwi.com/wi-meets-events/>) as long as approval for judges' request is processed through assignor Sarah Nelson.
